HAIL TO OUR ROADRUNNER

Hail to our roadrunner
Spirit, spirit, pride, pride
To our PDSD colors
What?
Of course, blue gold

Doesn't matter black, Mexican, white
Tall, short, fat, thin
Fast, slow, ugly, good-looking
Lousy, superstar
Still doesn't matter

Opponent afraid our roadrunner boys girls
We fight aiming through
Even though our boys girls hit, hit
Frustrate, frustrate, slump down

What if our victory seems impossible?

Wait, wait, WAIT!
Our roadrunner boys girls willing stubborn
Fight from
Sunrise-rays rise-temperature up, descent-
Hot, descend-darker,
Sunset-still hot
Hot, pain, bear, bear
Still doesn't matter, stubborn

So hail to our roadrunner
Spirit, spirit, pride, pride
To our school colors
What?
Of course, blue gold

Blue gold in heart
Heart beats, pump blood
Me, you, you, you, we bleed
Colors what?
Of course, blue gold

Our roadrunner boys girls ready group battle, battle
Referee blow, people yell, we hear?
No! Deaf! We feel see!
So, yell yell, wave wave, support our
Roadrunners, roadrunners, roadrunners!

Heather Bahe

I enjoyed math class and improved my vocabulary here at PDSD. I also enjoyed Play Day every year. I loved going to computer class. I will miss all my teachers and friends!

Sergio Beltran Rios

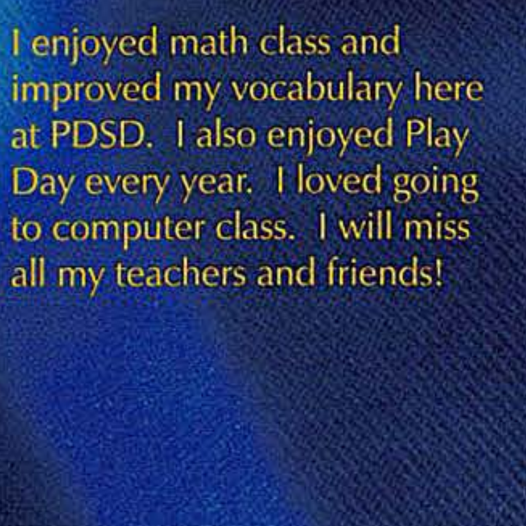
I was a new student here at PDSD just 4 years ago. I made good friends and enjoyed chatting with them at lunch. I have always gone to a school for the deaf. Thanks to the staff who taught me from the beginning when I didn't know any sign language. Now I will graduate and say goodbye to PDSD.

Erma Bravo Cortez

I remember I was about 9 years old when I started at PDSD. I will miss my friends and teachers so much when I leave. I'm excited to learn more English and History in college. Good-bye to PDSD.

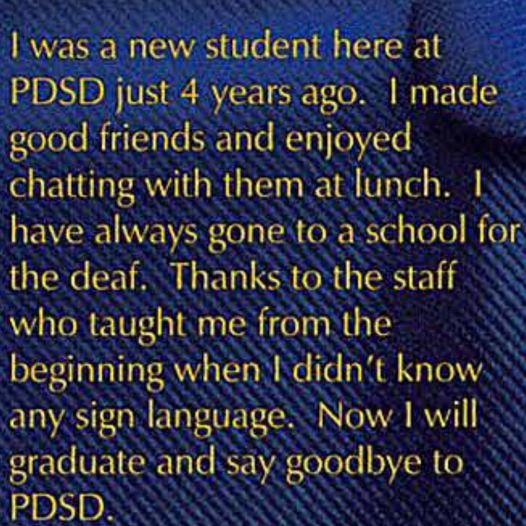
Daniela Del Toro

Jeff helped me learn about basketball. We practiced and really improved. The PDSD girls team were winners for many years. The girls on the team are good; they support each other and are a proud team. I want to say thank you to all the girls. This year we won the WSBC championship!! I will miss you all!!



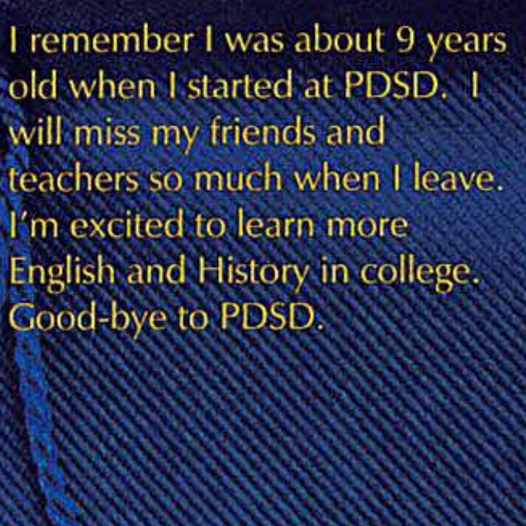
Alejandro Diego Carreto

Thank you very much friends, staff, and the whole PDSD campus. You helped me improve so much. I was always so quiet and never wanted to answer questions. Jr. NAD, Close Up, sports, and after-school events influenced me to become more motivated and helped me to learn sign language better. Now, I'm not afraid – I'll answer your questions!



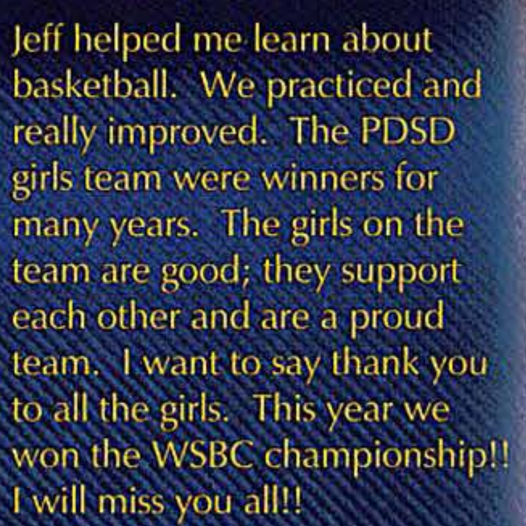
Michael Dong

I will miss you all! I love all my friends. Now we are leaving PDSD. Be yourself. Be good. Be strong!



Ashley Gaeta Ke

I will always remember my school PDSD. I will remember the time I spent with my friend Erma Bravo. I will miss PDSD. Soon we will graduate and then I want to get a job!



Sabryna Hughes

I really enjoyed playing sports at PDSD – volleyball and basketball. I will miss my good friends who were there for me. We hung out and had good friendships during high school. I want to say thank you to the staff for teaching me everything and showing us all how to respect each other.

2009 2009 2009 2009 2009 2009 2009 2009 2009 2009

Jessica King

I will miss my school PDSD so much! I will miss my best friend Jayvon so much!! I have liked all my teachers and I want to learn more in college. I'm excited to learn more English and Science. Good luck to everyone. Good-bye!

Michael Lewis

As a PDSD student for 14 years, it's like home for me. It nurtured me from a little boy with no brain at all to a smart and sarcastic young man. PDSD has been a huge part of my life. I will never forget the friendships and brotherhood in basketball. My advice to the kids still here is stay in school and enjoy it while you can before you go to college or work for the rest of your life.

Jose Melina

I was a student at PDSD for 11 years. I remember elementary school at PDSD, playing with my friends Eduardo, Anthony, Ricky, and Cesar. We always had fun racing and playing tag. I will miss my teacher, Mr. Marsh. He taught us business and economics and showed us that a good education is important!

Jessica Moots

I was here for three years. I'll never forget that we won the Deaf Digest team of the year award in my sophomore and senior years. I'll never forget about Spike 2008 and WSBC 2009. I will miss my teammates from volleyball and basketball. I will miss my coaches, teachers, and my friends. I want to say THANK YOU to my volleyball & basketball coach and my teachers who helped me~**lots!**

Eduardo Salgado

I want to say "Thanks" to PDSD and my teachers too. I loved playing sports: football and basketball. I remember playing against Salome in basketball. Some guy on their team hit my head! Wow that hurt! And I will never forget that game against Riverside. It was a hot game but we still lost by one point!

Chris Sanchez

My best memory of PDSD is going to Prom with Nataya Triplett. I loved the many field trips we took in the CBI department. One of my earliest memories was being in building C in Heather Cottrell's classroom and being able to play and play. I really liked working on campus. It was a good experience. I liked all my teachers and paraprofessionals. They helped me grow up.

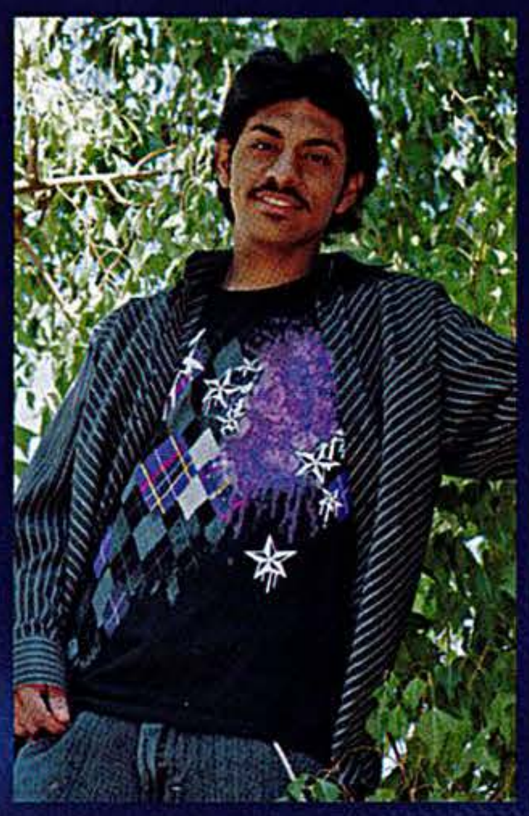
Anthony [illegible]

I will miss all that is PDSD – the students, and staff. I came to PDSD when I was three years old. I have been at this school for 15 years! I am very proud to have been a Roadrunner and a part of PDSD history. Good-bye and thank you for the memories! I will see you again someday!
GO ROADRUNNERS!!
Anthony S. #80

Richerd Stevenson

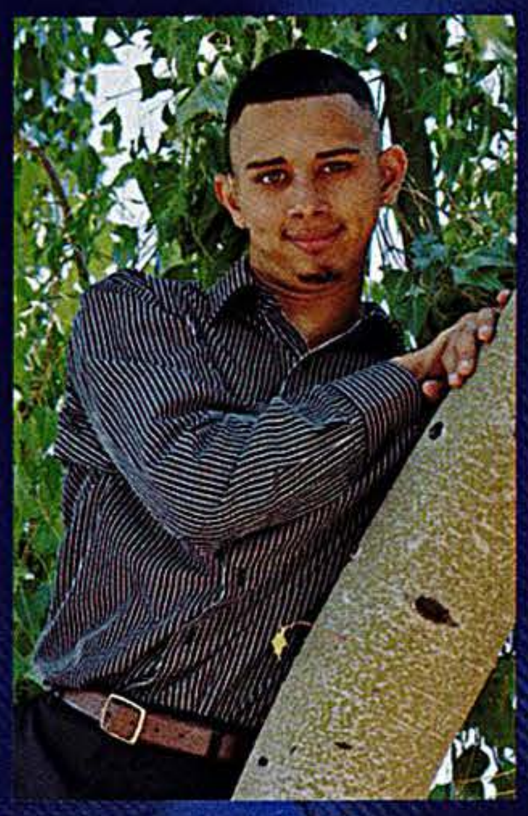
I will miss all my old friends and my school. I have a lot of memories about PDSD and different activities. I want to thank Ricardo, because you helped me look for a job and try to get my own car. I did it and I have a nice car that I showed you. I have so much Deaf Pride in PDSD. Good bye to all the students at PDSD. I'm ready to go into the world and find a place of my own and for my family.

2009 2009 2009 2009 2009 2009 2009 2009 2009 2009



Cesar Torres

I will miss PDSD. I am done here at PDSD and now I am a GRADUATE!



Edgar Valenzuela

Now that I've graduated I want to thank my teachers and my friends that have helped me since I was in kindergarten. Also my little brother Juvenal. I want to give a special thanks to my mom. No matter what, she kept me going. Thank you to everyone! Always try hard and you will succeed.

Sameerah Washington

I will miss my interpreters, Sara Dyke, Jill Williams, and my teachers, Emory March and Rebecca Rabinsky because they were great interpreters and great teachers. They helped me learn a lot. I learned many new things and had new experiences. I enjoyed my school because I love to socialize with all my friends. I want people to remember how funny I can be!

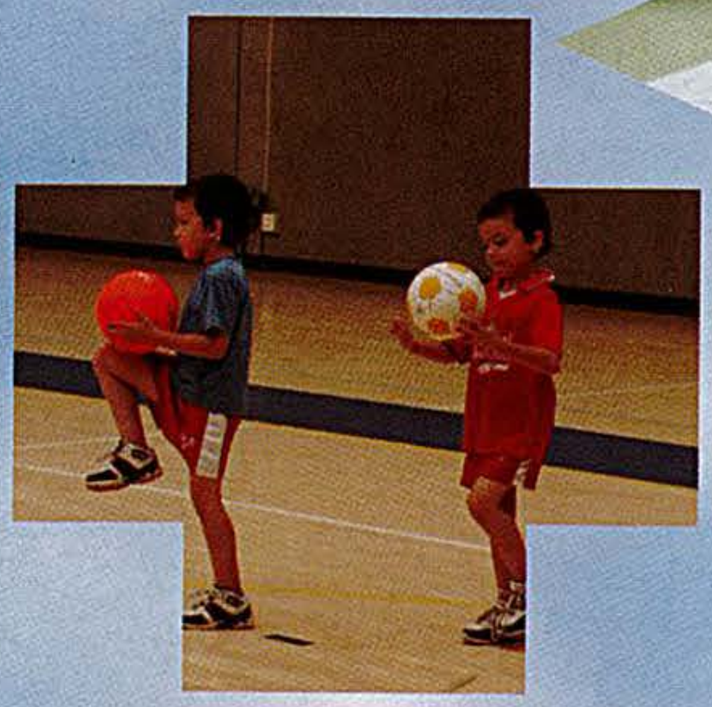
Specials



Why do you like teaching PE?
"I like to see kids becoming more aware of their fitness and push themselves to become more healthy. In few years, we should see some HULK coming out. Also, kids challenging others to do better in class and weight room.

Why do you like teaching Art?
"I love being creative and sharing the art world with my students. I learn so much from students. Art keeps me young."

Why do you like teaching Drama?
"I love seeing kids being creative with their bodies, faces, and their language. Drama is fun and meaningful in our world!"
